

OLIVIA M. CLANCY

(516) 655- 6044 | clancyoliviam@gmail.com

EDUCATION

Auburn University – Auburn, AL Anticipated May 2027

- Doctor of Philosophy, Clinical Psychology
- Faculty Mentor: April Smith, Ph.D.
- Current GPA: 3.89/4.00

Drexel University – Philadelphia, PA June 2022

- Master of Science, Psychology
- Faculty Mentors: Paakhi Srivastava, Ph.D.; Adrienne Juarascio, Ph.D.
- Master's Thesis: Predicting Cognitive-Behavioral Therapy Outcomes for Bulimia Nervosa Patients Based on Skill Use During Treatment (Defended: January 26, 2022)
- Cumulative GPA: 4.00/4.00

New York University – New York, NY May 2020

- Bachelor of Science, Applied Psychology
- Concentration: Child and Adolescent Mental Health Studies
- Cumulative GPA: 3.70/4.00

AWARDS & HONORS

Clinical Research Enhancement Award 2023
Auburn University, \$500

Early Career Professional Award 2022
Academy for Eating Disorders (AED) Award for student/trainee/early career professional top scoring abstract at the International Conference on Eating Disorders (ICED)

Dean's Fellowship 2020-2022
Drexel University Academic Scholarship, \$5,000

NYU Wasserman Center Internship Summer Grant 2019
Funded the independent summer studies of undergraduate students, \$1,000

NYU Dean's List for Scholastic Excellence 2018-2019
Maintained an overall GPA of 3.75 or above

PEER REVIEWED PUBLICATIONS

Clancy, O.M., Juarascio, A., Manasse, S.M., & Srivastava, P. (2023) Predicting cognitive-behavioral therapy outcomes for bulimia nervosa patients based on skill use during treatment. *Journal of Behavioral and Cognitive Therapy.*

Srivastava, P., Presseller, E.K., Chen, J.Y., Clark, K.E., Hunt, R.A., **Clancy, O.M.**, Manasse, S, & Juarascio, A.S. (2022) Weight status is associated with clinical characteristics among individuals with bulimia nervosa. *Eating and Weight Disorders*.

Srivastava, P., Felonis, C.R., **Clancy, O.M.**, Wons, O.B., Abber, S.A., & Juarascio, A.S. (2021) Real-time predictors of body dissatisfaction in females with binge eating: an ecological momentary assessment study. *Eating Disorders: Treatment and Prevention*.

MANUSCRIPTS IN PREPARATION

Clancy, O.M., Forrest, L., & Smith, A.R. (Under review) Feeling Hangry: Examining longitudinal relationships between eating disorder symptoms and hostility variability in military members. *Psychological Services*.

Srivastava, P., **Clancy, O.M.**, Lampe, E., Giannone, A., Fitzpatrick, B., Juarascio, A.J., & Manasse, S. (Under review) A naturalistic examination of feeling fat: Characteristics, predictors, and relationship with eating disorder behaviors. *International Journal of Eating Disorders*.

Srivastava, P., **Clancy, O.M.**, Fan, S., Giannone, A., & Juarascio, A.J. (Under Review) The BODY+ Program: An adaptive approach to treating body dissatisfaction and binge eating. *European Eating Disorders Review*.

Sawyer, H.B., **Clancy, O.M.**, Smith, A.R., & Witte, T.K. (In preparation) The impact of emotion (dys)regulation on eating disorder outcomes: A longitudinal examination in a residential eating disorder treatment facility.

Srivastava, P., Piers, A., Felonis, C., **Clancy, O.M.**, & Juarascio, A. (In preparation) Who gets the most out of cognitive behavioral therapy for bulimia nervosa? The role of emotion regulation ability in improving therapeutic skills use and binge eating.

POSTER PRESENTATIONS

Sawyer, H.B., **Clancy, O.M.**, Smith, A.R., & Witte, T.K. (November 2023) *The impact of emotion (dys)regulation on eating disorder outcomes: A longitudinal examination in a residential eating disorder treatment facility*. Poster to be presented at Association of Behavioral and Cognitive Therapies (ABCT) Conference.

Clancy, O.M., Forrest, L., & Smith, A.R. (June 2023) *Examining longitudinal relationships between eating disorder symptoms and hostility variability in military members*. Poster presented at the Academy for Eating Disorders' annual International Conference for Eating Disorders.

Dykes, J.P, Wilson, L.G., **Clancy, O.M.**, Smith. A.R. (March 2023) *Examining the relationship between muscle dysmorphia and perfectionism in college students*. Poster presented at Auburn University Student Research Symposium.

Clancy, O.M., Juarascio, A.S., & Srivastava, P. (June 2022) *Utilizing ecological momentary assessment to assess the influence of sociocultural attitudes towards thin appearance on body*

dissatisfaction. Poster presented virtually at the Academy for Eating Disorders' annual International Conference for Eating Disorders.

Clancy, O.M., Srivastava, P., & Juarascio, A.S. (November 2021). *Does skill utilization in CBT for BN predict outcomes?*, Project presented on behalf of the Obesity and Eating Disorders (OED) Special Interest Group (SIG) at the Special Interest Group Exposition for the 55th Annual Conference for the Association of Behavioral and Cognitive Therapies.

Srivastava, P., Fan, S., **Clancy, O.M.**, & Juarascio, A.S. (September 2021) *I am feeling fat: Characterizing feeling fat and within person factors underlying the experience of feeling fat*. Poster presented virtually at the annual meeting for the Eating Disorder Research Society.

Gentry, M., **Clancy, O.M.**, Rabinowitz, E., Carleton, J. (May 2020) *Dissociative self-states in adult-onset PTSD: Case study*. Poster presented virtually at the annual meeting for the International Society for the Study of Trauma and Dissociation.

McGregor, K., **Clancy, O.M.**, Whicker, M. (March 2020). *A social media exploration of pro-anorexia groups: how to reduce risk, increase autonomy, and create healthy online communities*. Poster presented virtually at the annual meeting for the Society of Adolescent Health and Medicine.

Clancy, O.M., Carleton, J. (October 2019). *Triumph over medical trauma: The role of art and posttraumatic growth*. Poster presented at the 2nd annual International Arts in Healthcare Event, New York, NY.

McGregor, K., **Clancy, O.M.** (March 2019). *Starving for support: Natural language processing and machine learning analysis of anorexia nervosa in pro-eating disorder communities*. Poster presented at the annual meeting for the Society of Adolescent Health and Medicine, Washington, D.C.

RESEARCH EXPERIENCE

Lab Manager, Research on Eating Disorders and Suicidality (REDS) Lab 2022- Present
Auburn University, Auburn, AL
Supervisor: April Smith, Ph.D.

Lab manager responsible for overseeing the day-to-day operations of an on-campus research laboratory that is funded in part by the Department of Defense.

- Oversee the recruitment, data collection, and analyses for a randomized control trial testing the efficacy of a self-guided training to increase interoception in college students experiencing suicidality.
- Create and submit quarterly reports for the Military Suicide Research Consortium (MSRC) to provide updates on study progress.
- Recruit, interview, and supervise up to nine undergraduate research assistants per semester.

Research Coordinator, Center for Weight, Eating, and Lifestyle Sciences 2021- 2022

- Assisted in recruitment of ongoing studies by developing and maintaining social media presence.

Research Assistant, Brito Baby Lab 2019
 Stress, Home Environment, Language and Learning (SHELL) Study
 New York University, New York, NY
Supervisor: Natalie Brito, Ph.D.

Assisted on a longitudinal study investigating the impact of environmental stressors on language development in infants being raised in bilingual homes.

- Administered neurocognitive behavioral tasks and physiological measures (i.e., electroencephalogram) to infants, ranging from three to 12 months old.
- Helped recruit participants from all five boroughs of New York City and coordinate their assessment times.
- Coded assessment session videos, specifically components involving the Tobii eye tracking device.

Research Assistant, Child Study Center 2018-2019
 Hassenfeld Children’s Hospital at NYU Langone, New York, NY
Supervisor: Kyle McGregor, Ph.D.

Designed an independent study investigating the manifestation of anorexia nervosa within online communities using machine learning analysis and natural language processing.

- Developed and ran an R syntax that compiled tweets containing specific keywords and hashtags.
- Presented findings at weekly Grand Rounds sessions for faculty at NYU Child Study Center.

CLINICAL EXPERIENCE

Clinic Coordinator, Auburn Eating Disorder Clinic 2022- Present
 Auburn University, Auburn, AL
Supervisors: Dr. April Smith, Ph.D. & Dr. Tiffany Brown, Ph.D.

- Helped determine patient eligibility for clinic services by conducting phone screening interviews.
- Assisted in fundraising efforts to financially support the clinic, specifically Tiger Giving Day, a 24-hour Auburn University event.

Study Assessor, Center for Weight, Eating, and Lifestyle Sciences 2020-2022
 Drexel University, Philadelphia, PA
Eating Disorder Examination (EDE) (17.0D)

- Certified to administer EDE to adults with bulimia nervosa (BN) and binge eating disorder (BED).

Group Co-leader, Center for Weight, Eating, and Lifestyle Sciences 2020-2021
 Project Recharge (3R01MH122392-01S1)
 Drexel University, Philadelphia, PA

Supervisor: Adrienne Juarascio, Ph.D.

- Co-led supportive psychotherapy group for individuals with binge-eating spectrum disorders over 10 weeks as part of an NIH-funded study investigating the efficacy of a novel reward retraining treatment.
- Facilitated conversation amongst group members during weekly therapy sessions.
- Assigned and reviewed homework assignments of 10 group members to monitor engagement in treatment.
- Attended and participated in weekly supervision meetings.

Child and Adolescent Psychiatry Intern, Gouverneur Health 2020
New York City Health + Hospitals, New York, NY

Supervisor: Sarah Caraisco, MD

- Collected and consolidated session notes from clinicians to update patient's files.
- Presented case notes at weekly Child and Adolescent team meetings to ensure all clinicians remained updated on patients.
- Set up for and shadowed Parent-Child Interaction Therapy (PCIT) sessions.

Editorial Assistant, Carleton Psychotherapy Practice 2019-2020
New York, NY

Supervisor: Jacqueline Carleton, Ph.D.

- Transcribed session recordings and updated patient records following their individual therapy sessions.
 - Wrote book reviews for international psychology journals based on new publications in the field.
- Supervised 3-5 other undergraduate interns.

TEACHING EXPERIENCE

Graduate Teaching Assistant, Psychology of Sexual Behavior 2023
Auburn University College of Liberal Arts, Auburn, AL

Supervisor: Tracy Witte, Ph.D.

Graduate Teaching Assistant, Data Analysis I; Data Analysis II 2021-2022
Drexel University College of Arts and Science, Philadelphia, PA

Supervisor: Kate Devlin, Ph.D.

SERVICE EXPERIENCE

Active Minds 2017-2020

Organized events on NYU's campus focused on eliminating the stigma surrounding mental health.

American Foundation for Suicide Prevention 2015- 2018

Assist with Long Island-based programs to emphasize the importance of mental health in local communities.

National Eating Disorders Association (NEDA) 2017

Ran social media campaigns focused on improving public awareness and advocacy of eating disorders.

PROFESSIONAL AFFILIATIONS

Academy for Eating Disorders Student Member of AED	2023- Present
