Education

MS in Kinesiology

Expected Graduation: December 2019

Miami University, Oxford, Ohio

Thesis: *The Relationship Between Early Sport Participation and Motivational Orientations in College Athletes.*

BGS in Psychology, Minor in Business

May 2017

University of Kansas, Lawrence, Kansas

Thesis: *The Influence of High School Athletes Perceptions of the Motivational Climate on Athletic Identity and Academic Endeavors.*

Departmental Honors, Deans List, Best Honors Thesis

Research Experience

Graduate Research Assistant

August 2017-August 2019

Miami University, Oxford, Ohio

Department of Kinesiology and Health

Advisor: Dr. Robin Vealey

- Analyzed data and assisted in preparing a manuscript for publication.
- Coded data for a meta-analysis that investigated mental skills intervention over the last 30 years.
- Interviewed youth athletes about their sport experiences focusing on the pressure of being a youth athlete.

Research Assistant/Lab Manager Intern

December 2014 - May 2017

University of Kansas

Department of Health, Sport, and Exercise Science

Advisor: Dr. Mary Fry

- Transcribed interviews for doctoral students.
- Assisted with data collections on projects.
- Aided in data reports and manuscripts preparations.
- Guided new lab mentors with data entry and survey creation.

Summer Research Internship

May 2016-August 2016

University of Kansas

Department of Health, Sport and Exercise Science

Advisor: Dr. Mary Fry

- Proposed independent research project.
- Recruited participants for study.
- Constructed survey.

- Analyzed data using SPSS
- Prepared Manuscript for publication

Research Assistant

January 2016-May 2016

University of Kansas

Department of Psychology

Advisor: Dr. Stephen Ilardi & Michael Namekata

- Guided participants through a research study examining high intensity exercise and depression levels.
- Gathered data on stress level and perceived rate of exertion during study.
- Assisted with data entry.

Summer Research Internship

May 2015 - August 2015

University of Kansas

Department of Health, Sport and Exercise Science

Advisor: Dr. Mary Fry

- Proposed independent research project.
- Recruited participants for study.
- Constructed survey.
- Analyzed data using SPSS
- Prepared Manuscript for publication

Research Assistant

January 2015- June 2015

University of Kansas

Energy Balance Labs

Advisor: Chris Bessemer

- Assisted with a study that introduced how a behavior intervention is associated with weight loss in adults.
- Data Entry into Excel
- Supervised participants as they exercised
- Motivated participants to continue with study
- In charge of heart rate monitors, troubleshooting watches

Teaching Experience

Physical Activity Lifestyle Instructor

August 2017- May 2019

Miami University (Ohio)

Course: Jogging for Fitness

- Developed a lesson plan to teach 20 undergraduate students with a specific focus on injury prevention, safety, training, and goal setting. Taught Spring 2018 & 2019.

Guest Lecturer

October 2018

Miami University (Ohio)

Course: KNH 473: Children and Youth in Sports

- Delivered one 80-minute lecture on motivation and burnout in youth athletes.

Physical Activity Lifestyle Instructor

August 2017- May 2019

Miami University (Ohio)

Course: Weight Training

- Developed a lesson plan to teach 20 undergraduate students with a specific focus on injury prevention, safety, training, and goal setting. Taught Fall 2018.

Co-Instructor/Peer Mentor

January 2016- May 2016

University of Kansas

Course: University 101: KU History and Traditions

- Helped lead discussion and presented topics
- Mentored students with their transition to KU
- Helped create lesson plan

Guest Lecturer

June 2015

University of Kansas

- Delivered and developed a guest lecture to 30 high school students on how exercise is associated with cognitive function.

-

Academic Certificates

- | | |
|--|------|
| Research Experience Program | 2016 |
| University of Kansas | |
| <ul style="list-style-type: none"> A certification rewarded to students that gained knowledge of research at the university | |
| Crimson and Blue Society | 2015 |

University of Kansas

- A certification awarded to students that are well rounded in their contribution to the university through leadership, service and academic pursuits.
-

Service

Student Delegate

January 2017- May 2019

Association for Applied Sport Psychology

- Created resource on how to identify a research mentor
- Created student member satisfaction survey
- Help organize student member activities at national conference

Research Ambassador

August 2016 - May 2017

University of Kansas

- Share my research experience with students
- Speak to classes about getting involved in research.
- Speak to parents about how their student can be involved in research

OPTIONS student leader

2016

University of Kansas

- Familiarized incoming students with resources on campus
- Helped incoming students learn to navigate their time on campus.
- Mentored incoming students during this first semester on campus

Sport and Exercise Psychology Club President

January 2016-May 2017

University of Kansas

- Managed student page
- Encouraged undergraduate to get involved with research
- Established the organization on campus

Mentor

January 2013-May 2016

Gates Millennium Scholars Program

- Mentored first year college scholars
- Helped students navigate their first year of college
- Encouraged students to set goals

Ambassador

August 2013- May 2016

Gates Millennium Scholars Program

- Presented to schools in Wichita about GMSP
 - Encouraged high school students to apply for scholarship
 - Mentored High School Students during their process of applying
-

Professional Affiliations

International Honor Society in Psychology (Psi Chi)

May 2016-Present

- Inducted for having a 3.5 GPA in Psychology courses.

Association for Applied Sport Psychology

June 2015-Present

- Attended National Research Conference from Fall 2015 to present.
 - Student Delegate
 - Travel Award
-
