EDUCATION

August 2020 – Present

PhD, Clinical Psychology
Auburn University, Auburn, Alabama
Advisor: April R. Smith, PhD

August 2018 – May 2020

Master of Arts, Psychological Sciences (Experimental Psychology)
James Madison University, Harrisonburg, Virginia
Advisor: Jessica G. Irons, PhD
Thesis: Assessing the Utility of a Brief Abstinence Test for Reducing
Smartphone and Social Media Use

August 2014 – December 2017

Bachelor of Science, Psychology
James Madison University, Harrisonburg, Virginia

AWARDS AND HONORS

2020 Outstanding Graduate Student in Psychology, James Madison University
2017 Inducted into Psi Chi, James Madison University
2017 President's List Distinction
2017 Junior Award for Achievement in Teaching, JMU Department of Psychology
2017 Junior Award for Achievement in Research, JMU Department of Psychology
2016 Dean's List Distinction
2015 Inducted into Phi Sigma Pi Honor Fraternity, James Madison University

RESEARCH GRANT SUPPORT

Research Grants

Title: *The Effect of Cannabidiol on Menstrual-related Symptoms*
Funding Source: Canopy Health Innovations
Role: Co-Investigator (Principal Investigator — Dr. Jessica Irons, James Madison University)
Status: Funded (\$15,500) and Completed

Title: *Contingency Management to Reduce Phone Use Among College Students*
Funding Source: College of Health and Behavioral Studies Competitive Research Grant (2018-2019)

Role: Graduate Principal Investigator (with Dr. Jessica Irons, Principal Investigator)
 Status: Funded (\$4200) and Completed

Title: *The Effects of Alcohol Priming and Alcohol-Related Cues Among Subsequent Substance Preferences*

Funding Source: James Madison University Department Research Grant (2018-2019)

Role: Undergraduate Co-Investigator

Status: Funded (\$1000) and Completed

Travel Grants

Title: *Assessing the Utility of a Brief Abstinence to Reduce Smartphone and Social Media Usage Among College Students*

Funding Source: National Travel Grant, The Graduate School, James Madison University

Role: Oral presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA (November, 2019)

Status: Funded (\$500)

Title: *Assessing the Utility of a Brief Abstinence to Reduce Smartphone and Social Media Usage Among College Students*

Funding Source: Department of Psychology, James Madison University

Role: Oral presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA (November, 2019)

Status: Funded (\$300)

SUPERVISED CLINICAL TRAINING

October 2022 – Present

West Central Georgia Regional Hospital – provided psychological assessment and intervention services for 13 hours/week at a residential hospital for individuals with severe mental illness

Supervisor: Dr. Danny Deringer, PhD; Dr. Jennifer Jones, PsyD

Location: Columbus, GA

Responsibilities: Conducted neuropsychological, psychosocial, intelligence, and personality assessment for individuals with a variety of conditions (e.g., psychosis, mania, trauma, personality disorders) to be used to provide diagnostic clarity for treatment planning or for forensic purposes (i.e., competency restoration). Utilized acceptance-based, cognitive-behavioral, dialectical behavioral skills training, and social skills training skills to provide individual and group psychotherapy services.

May 2022 – Present

Auburn Eating Disorders Clinic (AEDC) – provided psychotherapy services for ~three clients per week with primary presentations of disordered eating and body image concerns (one

hour per week of group supervision and 2.5 hours of didactic training for treatment of eating disorders)

Supervisor(s): Dr. April Smith, PhD, Dr. Tiffany Brown, PhD
Location: Auburn University
Responsibilities: Conducted intake sessions for clients presenting to the AEDC for disordered eating and body image concerns, including anorexia nervosa, binge-eating disorder, and avoidant/restrictive food intake disorder (ARFID). Provided manualized treatments (motivational interviewing, CBT-E, CBT-AR), consulted with nutritionists, counselors, and physicians to provide integrated care to clients, attended weekly didactic meetings with peers and supervisors.

January 2022 – Present

Title: **Auburn University Psychological Services Center “Vertical Team”** -- *3 treatment clients per week (one hour per week of individual supervision), one comprehensive assessment per semester (one hour per week of individual supervision)*

Supervisor: Dr. Jordan Burko Macatee, PhD
Location: Auburn University
Responsibilities: Implemented manualized treatments to individuals for adults with a variety of presenting conditions, conducted comprehensive psychological evaluations of adults to assess for specific learning disorders, ADHD, and other behavioral and mood disorders. Wrote integrated assessment reports with treatment recommendations and conducted feedback sessions with clients, attended weekly didactic meetings with peers and supervisors.

January 2021 – December 2021

Title: **Volunteer Graduate Assistant with Auburn University Health Promotion and Wellness Services** -- *5-10 hours per week (one hour per week of group supervision),*

Supervisor: Dr. Chris Correia, PhD; Shelby Flores, MA
Location: Auburn University
Responsibilities: Facilitated 90-minute TESI (Tiger Education Screening Intervention) intake for undergraduate/graduate students facing academic and/or legal consequences of substance use, administered diagnostic interviews for substance use disorders (i.e., AUDIT, SCID, CUDIT), utilized Motivational Interviewing to discuss problematic substance use during 30-min to 1-hr long follow-up sessions with students, collaborated with in-house dietician to provide substance use counseling for clients with suspected eating disorders, referred students to long-term therapy resources, when appropriate, provided psychoeducational outreach presentations for at-risk groups (e.g., Greek life organizations)

OTHER SUPERVISED CLINICAL EXPERIENCE

2020 -- Present

Title: **Volunteer Clinician;** National Depression Screening Day
Supervisor: Dr. Nadia Bhuyian, Dr. Jordan Burko-Macatee
Location: Auburn University Psychological Services Center, Auburn, AL
Responsibilities: Administered and scored screening measures related to depression, anxiety, bipolar disorder, and PTSD, provided feedback to participants, processed their concerns, and presented them with local mental health referrals

January 2020 – March 2020

Title: **Observer for partial hospital and inpatient practicum site**
Supervisor: Dr. Jessica Irons, PhD; Jennifer Atkins, LPC
Location: James Madison University; Sentara Behavioral Health Specialists
Responsibilities: Weekly attendance of pre-bariatric surgery group therapy sessions, weekly site attendance observing/assisting with partial and/or inpatient behavioral health services program for a variety of presenting conditions, gained experience observing, documenting, and co-facilitating group therapy sessions for partial hospital participants, observed and participated in in-patient group therapy, clinical rotation, and observing in-patient continuum of care roundtable sessions by behavioral health professionals at Sentara RMH Medical Center in Harrisonburg, VA

TEACHING EXPERIENCE AND TRAINING

June 2018 – June 2020

Title: Graduate Assistant for Psychological Research Methods
Supervisor: Jessica G. Irons, PhD
Location: James Madison University
Duties: Delivered lectures (on-line and in-person) on writing an APA-style paper, provided written and oral feedback on students' writing, supervised two undergraduate TAs, responded to student emails, hosted weekly office hours, proctored exams

RELEVANT WORK EXPERIENCE

September 2020 – December 2022

Title: Graduate Research Assistant – 20 hours per week
Grant Title: Developing Engineering Countermeasures for Wrong Way Driving
Sponsor: California Department of Transportation (Caltrans); Research contract number 65A0567
Supervisors: Huaguo Zhou, PhD; Chris Correia, PhD
Location: Auburn University
Duties: Served as lead graduate assistant for a study examining the efficacy of wrong way driving countermeasures among severely intoxicated individuals. I contributed to methodology development, IRB preparation and submission, and session operations protocol development. Was responsible for identifying potential participants, screening participant responses for study inclusion, attending and conducting in-person study sessions, data management (cleaning and analysis). Aided in technical report writing for grant funders and peer-review manuscript development.

May 2021 – May 2022

Title: Research Associate – 10 hours per week
Company: Canopy Growth Corporation
Location: Smith Falls, Canada [*work conducted remotely*]
Duties: Assisted with protocol development for multiple studies examining the efficacy of hemp-derived cannabinoids on various endpoints relating to sleep quality and energy. Assisted in developing study materials including operations manuals, participant manuals, consent forms, and study advertisements. Responsible for screening and enrolling potential participants, online survey development via RedCap Cloud, and ensuring participant and CRO safety and compliance during data collection.

September 2020 – August 2021

Title: Graduate Teaching Assistant
Location: Auburn University
Duties: Provided support to Department of Psychology faculty in Developmental Psychology, Personality Psychology, and Health Psychology Courses by proctoring exams, grading assignments, entering grades, corresponding with students via email, hosted class office hours as needed, presented guest lectures on introductory-level topics

August 2019 - Present

Title: Project Coordinator
Grant Title: Randomized Control Trial to Examine the Effects of Cannabidiol (CHI-907) on Experiences of Test Anxiety Among College Students
Supervisor: Jessica G. Irons, PhD
Location: James Madison University
Duties: This study examined the potential effects of cannabidiol (CBD) on experiences of acute test anxiety. In this role, I contributed to protocol development, IRB preparation, and operations manual. Responsible for identifying potential participants, screening, training and supervising RAs, attending and supervising all testing sessions, entering session data, data management, and CRO compliance.

SERVICE**January 2022 – Present**

Title: Psychology Graduate Student Organization (PSYGO) Intramural Sports Coordinator
Location: Auburn University

January 2022 – February 2022

Title: Graduate Student Coordinator for Program Interviews
Supervisor: Dr. Chris Correia, Dr. Richard Macatee
Location: Auburn University

August 2018 – May 2020

Supervisor: Dr. Kethera Fogler, PhD
Location: James Madison University

June 2017

Title: Transfer Advising Assistant
Supervisor: Kimberly DuVall
Location: James Madison University

MISCELLANEOUS

May 2019

Facilitator: Kate Leeds-Brody

Seminar: George Mason University Certificate of Attendance
0.4 Continuing Education Units for Satisfactory Completion in School of
Nursing's "Screening, Brief Intervention, and Referral to Treatment
(SBIRT) Across the Lifespan"
